"I must use this medium to say how pleased I was with your flexibility and calmness with delivering the catering service we required at the session on 06 September 2023. I am an ex-hotelier who have worked in 5\* properties and you didn't fail to deliver at all you exceeded my expectations.

Thanks for your support with my last minute request although we probably didn't even need the extra. It has been a pleasure meeting and working with you".

"Thank you so much again for your support, everything ran so smoothly and the venue & food were absolutely fantastic".

Just to echo Catherine's email, the catering was fantastic – thank you!

Thank also for your flexibility in preparing a last-minute gluten-free option. Overall, I was delighted with the venue, excellent catering and all the wonderful staff supporting the event. I would definitely like to use your catering services at Southwark Cathedral in the future and will highly recommend you to colleagues.

"It was another good away day, at a good venue, with good coffee and food. The technology (wifi, video call) also worked beautifully."

"Thanks for hosting us yesterday. We had a great time. The venue, the food and you guys were all wonderful.

We would happily use the venue and your services again and more than happy to recommend you.

Thanks for taking care of the extra coffees".

Our families have also asked us to pass on their huge thanks".
